## HISTORY

Since 2000

## CAMPUS

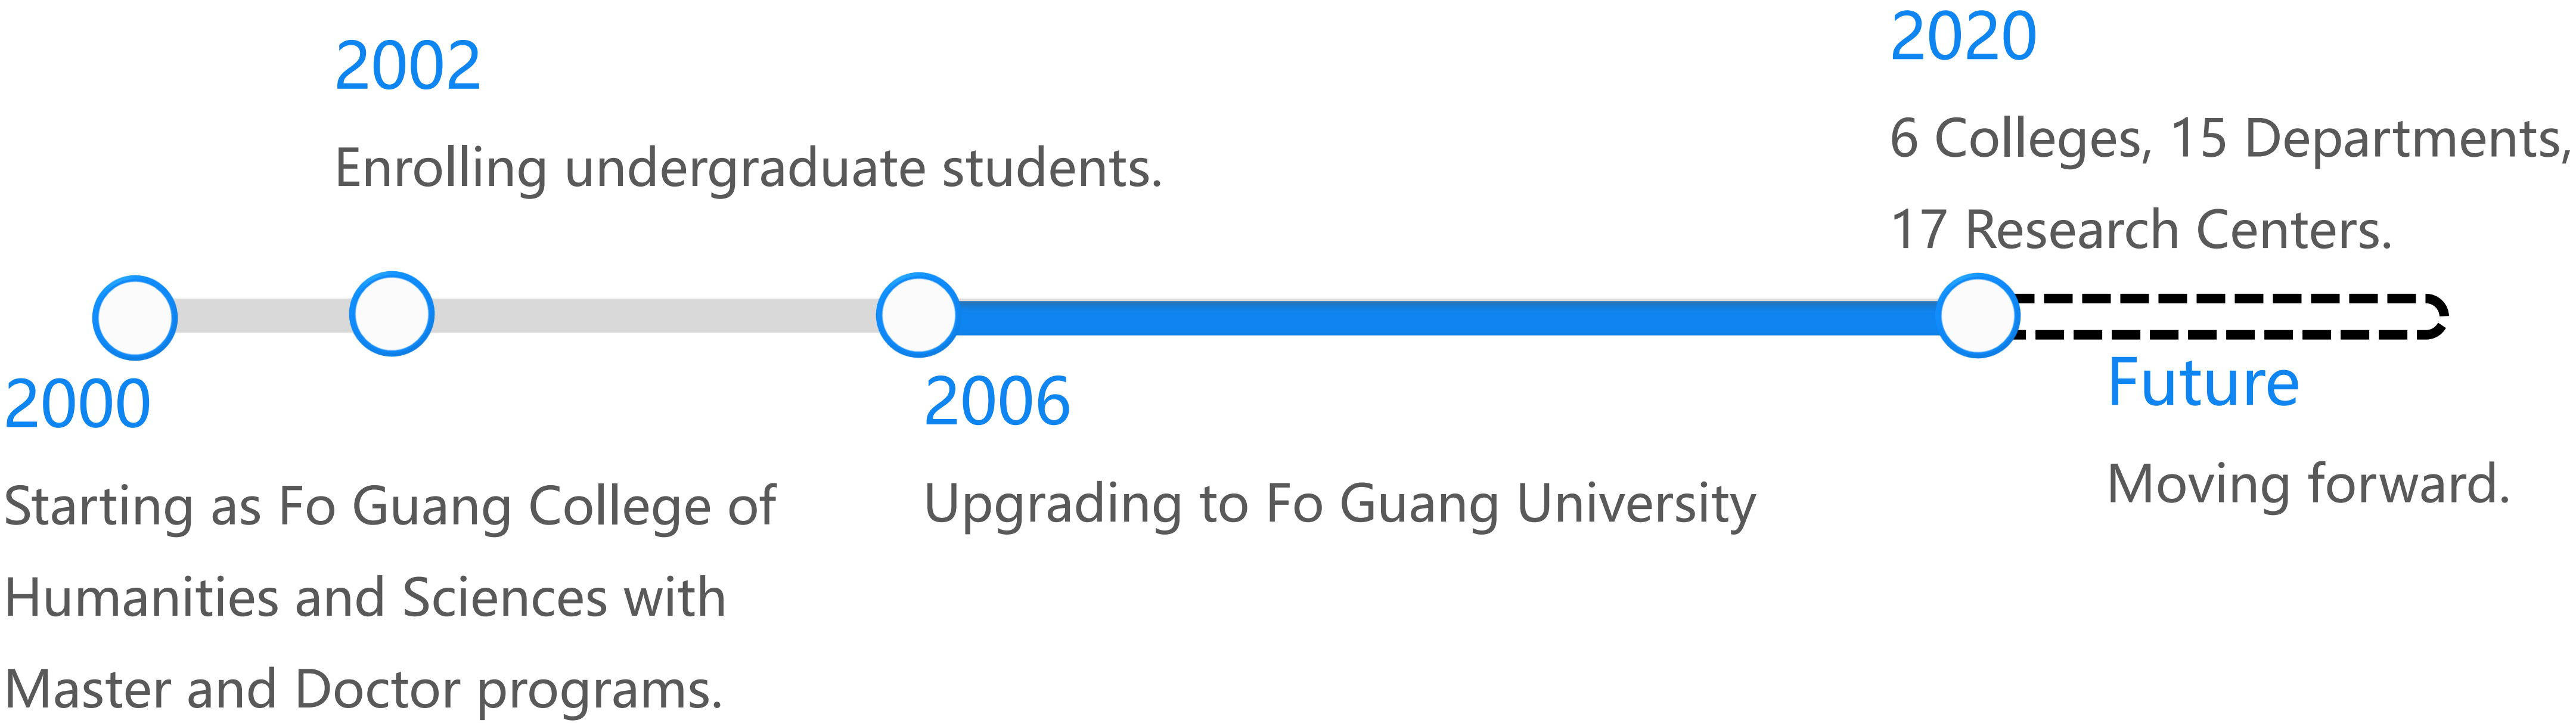

Fo Guang University covers 57 hectares of land, campus faces the beautiful eastward Lanyan Plain with a clear view of Turtle Island lying on the Pacific Ocean

---

Taking your breath away! Guishan Island (Turtle Island) known as its shape of turtle looking. Now, you can see this incredible scenery by your own in our campus.

# HISTORY

# CAMPUS

The campus buildings are constructed according to the terrain, and adapt the architectural style of classical Chinese learning academies, while the roadsides are covered with flowers of the four seasons, added with a variety of trees and plants creating exquisite scenery. When covered in a light cloudy mist, you would feel as if in paradise. The University is truly worthy of the title The most beautiful university campus in Taiwan.

The Chinese Language Institution Center (CLIC) of Fo Guang University  
was established in 2000.

# The spirit and current status of Chinese Language Instruction Center-1

- The Chinese Language Institution Center (CLIC) of Fo Guang University was established in 2000. It is affiliated to the International and Cross-Strait Affairs Office of Fo Guang University together with the "International Cooperation and Exchange Center" and the "Cross-Strait Cooperation and Exchange Center". CLIC actively assists schools in promoting internationalization, expanding international academic exchanges and cooperation.
- The mainly responsibility is to improve the Chinese abilities of foreign students, and to train natives to become professional Chinese teachers. At the same time, CLIC also assists the government in promoting the scholarship policy of the Ministry of Foreign Affairs and the Ministry of Education, and provides people from diplomatic relations and friendly countries to Taiwan to study Chinese.

# The spirit and current status of

## Chinese Language Instruction Center-2

- CLIC aims to strengthen the basic Chinese language skills of foreigners, and to encourage the foreigners to feel the humanistic feelings of Taiwan. CLIC leads to an understanding and in-depth understanding of the traditional Chinese culture through the arrangement of courses and activities.
- At the same time, several exchanges with students at Fo Guang University would be arranged to effectively improve the effectiveness of language learning. it is also possible to establish international friendships, to understand transnational cultures, to learn cultural differences and respect each other, and to expand a diverse international perspective.

## The spirit and current status of Chinese Language Instruction Center-3

- As a Chinese language learning organization in Yilan, CLIC promotes the local culture of Yilan and contributes more. Yilan is a cultural gathering with rich and important cultural resources, diversified cultural experience courses and traditional activities to strengthen foreigners' understanding of the Yilan areas and deepen Chinese language learning.

# Excellent Achievements of Chinese Language Instruction Center-1

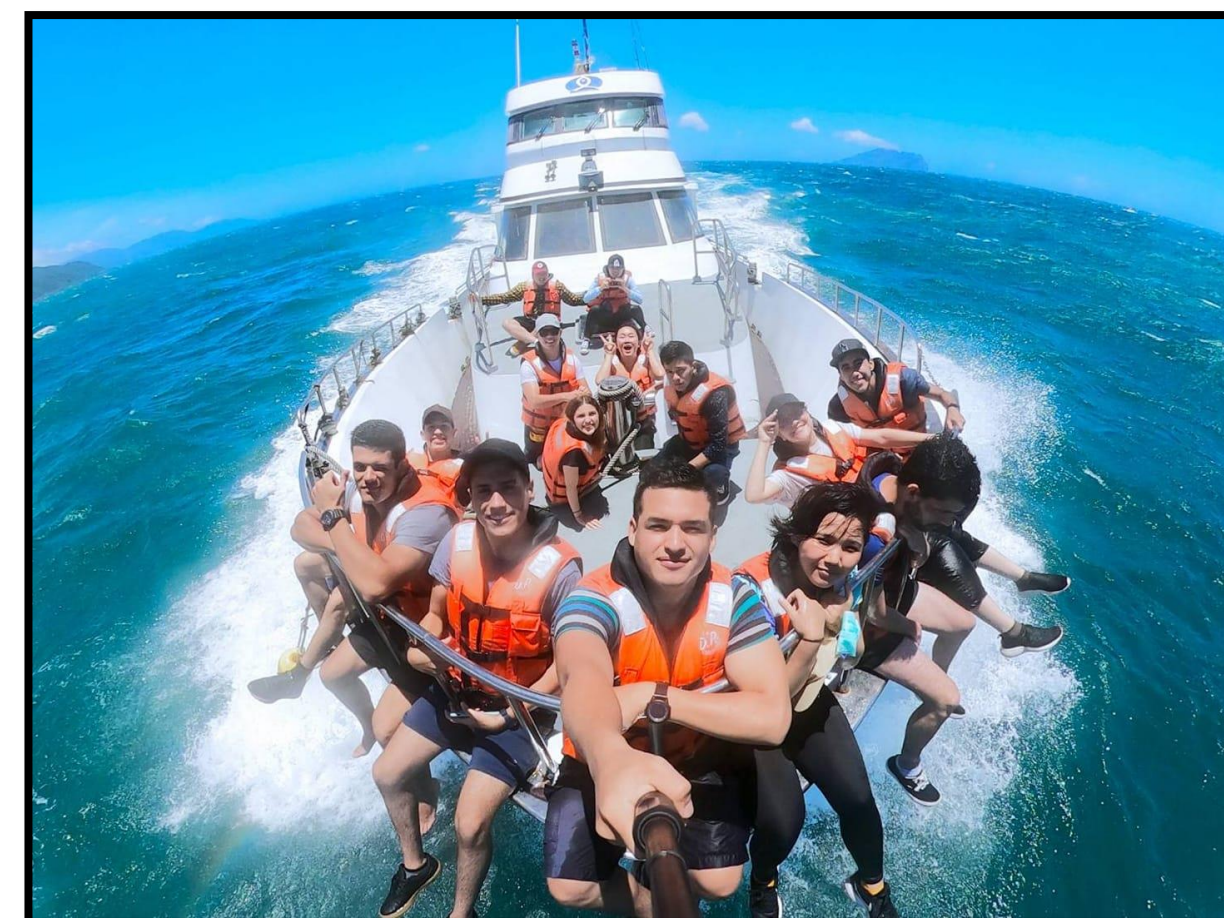

- The students in CLIC are mainly foreigners and come from countries all over the world. Their purposes for coming to Taiwan may be different, but their willingness and motivation to study Chinese are the same. The teaching staff and administrative team of CLIC also do their best to actively plan diversified teaching courses, tutoring and activities to respond to the enthusiasm of learners. Teaching achievements and characteristics of CLIC including:
  1. The passing rate of the Test of Chinese as a Foreign Language (TOCFL) for Taiwan Scholarship Students of the Ministry of Foreign Affairs has reached 95% for the recent three consecutive years.
  2. Characteristic classes to achieve differentiated teaching and learning: intensive learning in small classes of 3-6 people, one-to-two individual precision teaching, and setting up Chinese tutoring classes to provide consultation for individual learning bottlenecks or extracurricular knowledge.

## Excellent Achievements of Chinese Language Institution Center-2

- 3. Multi-adaptive course materials: "Contemporary Chinese" as the main material, supplemented by "Far East Living Chinese", "Time Chinese", "Practical Audiovisual Chinese", "Speaking Chinese in all walks of life" and other textbooks.
- 4. Enrich curriculum content and innovative teaching methods: Chinese character teaching and seal carving calligraphy practice, traditional Chinese festival activities teaching and participation, Chinese Kung Fu, outdoor activities in local countryside, etc.
- 5. Local cultural visits and academic exchanges in Yilan: international sailing experience, Guishan Island (Turtle Island) tour, visits to the Chuanyi Center, Water Lantern festivals, language exchange activities with students from Fo Guang University, etc.
