An aerial photograph of the Fairleigh Dickinson University (FGU) campus is shown, featuring several large academic buildings, a prominent circular structure, and surrounding greenery. The entire image is overlaid with a semi-transparent orange rectangle. On the left side of this rectangle, the text 'About FGU' is written in large white font. To the right of this text, a vertical white line separates it from a list of topics. The first topic, 'History and Heritage', is highlighted with a bright green background. The other two topics, 'Campus' and 'Distinguished Alumni', are in white text on the orange background.

Establishment and History

- The founder of our university, Venerable Master Hsing Yun, aimed to realize his ideal of cultivating talents through education with the philosophy of "keeping wisdom to oneself and leaving the university in the world." He called for the establishment of the Million-Member Fundraising Committee and with the efforts of millions, founded a university.
- Fo Guang Shan established five universities around the world: Fo Guang University in Yilan, Taiwan, Nanhua University in Chiayi, Taiwan, the University of the West in the United States, Nan Tien Institute in Australia, and Guang Ming College in the Philippines. These five universities have formed the "Fo Guang Shan International University Consortium," sharing resources and promoting frequent academic exchanges among faculty and students.
- Tuition fees are comparable to those of public universities. Overseas students who are admitted through the "University Entrance Committee For Overseas Chinese Students" or by the "Individual Enrollment for Overseas Chinese, Hong Kong and Macao Students" can be charged according to the same standards as local students, with tuition fees equivalent to those of public universities.
