

LAPU - LAPU CEBU
INTERNATIONAL COLLEGE, INC.
March 4- July 5

ABOUT LCIC

LCIC is an international university located in Mactan Island, Cebu. International University EFL courses provide various English courses so that international students can come here to study and provide a good environment for English communication with local students.

SUBJECT AND CURRICULUM

English Communication skills	Focus on improving students' speaking skills and confidence while dealing with listening, reading, writing, pronunciation and grammar skills
Listening / Speaking skills	Have the confidence to understand and express in English. This involves the sound of syllables, the strength of words, speech, pronunciation, and intonation.
Grammar skills	Focus on the keywords used in actual communication and improve grammar skills according to individual levels.
Philippine Culture	Understanding multiculturalism such as food language and behavior that help shape The Philippines and other Asian cultures. Sharing experiences will help students be more confident in speaking English.
TOEIC	Focus on helping students who study TOEIC for employment. The class is conducted with the goal of scoring high on TOEIC.
SDG / Japanese, Chinese	SDG class talks about global environmental issues while Japanese and Chinese classes are conducted mainly focusing on learning the basic expressions and greetings.
